TARGET GROUP

The Psycho-Social Center for Refugees (PSZ) Mönchengladbach is part of the SKM Rheydt e. V. and addresses the needs of refugees from the age of 18 and above who are living in Mönchengladbach and the surrounding areas and are in need of psycho-social support. The project prioritizes refugees who have experienced or witnessed violence and torture and display symptoms of posttraumatic stress. We focus on refugees without a residence permit, health insurance coverage or social support.

WHO WE ARE

We are a multi-professional team of psychologists, trauma- and social (education) workers.

We speak German, English and Arabic. We work together with interpreters for consultations in other languages.

WE OFFER

- ❖ First consultations in order to assess the needs of clients
- ❖ Psychological counselling and clinical diagnostics
- ❖ In-house counselling as well as forwarding to other welfare institutions
- ❖ Assistance in the development of individual perspectives
